

GLADESTRY COMMUNITY COUNCIL

January 2021 Update

On 5th January I contacted Ian (Acting Chairman) to advise him that there was no new business for discussion at the meeting scheduled for 18th January, and asked whether he thought that the meeting should proceed, particularly in light of the current Covid restrictions. Ian responded that it was his view that the meeting should be postponed until and unless matters came to light which required a meeting. I advised him that I would contact Councillors to advise them; Ian said that he would tell Gareth. I then phoned Viv, Melvyn, Joseph and Jane to let them know, reminding them that a meeting could be arranged should needs warrant it. Derrick, being away and not due back by the 18th, was not informed.

The following duties have been undertaken by the Clerk since the last meeting in November:

due payments of salary (£250), Council insurance (£238), audit fees (£338.75) and play area inspection fee (£72) have been made;

the play area inspection report and the audit report have been emailed to Councillors;

no new planning applications have been received;

Joseph and Kenneth have been liaising about the inaccessibility to the bridal path from the lane just below the Mace; and

other emails listed below have been sent to Councillors.

The current budget position is appended. Please note that we have received this year's final precept payment.

The next meeting is scheduled to be held at 7.30 On Monday 15th March 2021

Emails sent out to Councillors:

Road works and Stanner signage	18/11
